

Chairman's Corner:

**Billy Hodge CPP, PSP
Chairman**

With the old year over and the "New Year" begun I am looking forward to a fun and productive year. At our December planning meeting we set a new course for the chapter. We laid out all seminar dates and are currently working on the summer tours. We also lined out our committees for the year as well.

We will send out a calendar with all the planned events including seminars meetings and tour dates.

Security Officer Appreciation Night is back on the schedule and will be held on October 21st. Law enforcement Appreciation Night has been moved to the spring and will be held on May 20th.

(Chairman's cont.)

I would like to thank the Johnson & Wales Criminal Justice Association for putting together a rather fun and interesting event for our December Chapter Meeting. It turned out to be a great time for all those who attended. Our own Sam Adair CPP won the award as the "Best Detective". Congratulations go out to Sam for his sleuth powers.

I look forward to seeing everyone at our next Chapter Member Meeting.

**Thank you,
Billy Hodge

December Chapter Member Meeting

The Johnson & Wales Event Center

This years December Chapter Meeting was held at the Johnson & Wales Event Center. The format was changed to a Mystery Dinner. It was put on by, and benefited, the Criminal Justice Association at Johnson & Wales.

A big turnout was on hand for the fun and our own Sam Adair CPP was named the winning sleuth for the evening. Everyone seemed to have a great time and I am sure that next year's event will be even better.

Summer Tours

The summer tours are being scheduled and there will be one for Coors field. Other sites are being considered and if you have a venue or any thoughts on additional potential tour sites please contact a board member to pass along your idea.

Another new event planned for this August will be a shooting tournament. The location and format will be announced at a later date but it should be a fun and different kind of way to spend some time.
