

Chairman's Corner

With the month of October comes fall. This month, we are having Security Officer Appreciation Night on October 21st. This is your opportunity to show your appreciation for those security officers who have performed above and beyond in executing their duties. This is always a fun and popular event. The security officers really enjoy this event and they pride themselves on being the honorees. If you have not got your reservations in, please do so now. Each security officer will receive a certificate of appreciation along with a token gift to take with them. The meal is always good at Johnson & Wales and I can guarantee that will not change.

We are also having our Fall Seminar on October 10th, 17th and 24th which are all on Fridays. I have seen the topic line up and you will not be disappointed. This will count towards your recertification or will get you on your way to certification depending on your situation. With the way the certification points work, this seminar will count towards both a PSP and a CPP as far as points are concerned. You will be receiving mailing on the details of the course.

Elections are right around the corner. Now is your opportunity to involve yourself in the chapter by becoming an officer on the board. I have served for the last five years and have gained some good friends and have enjoyed the work. If you are interested in serving as either an officer or a board member, please see John Belcastro who is the chapter nominations chairman. I hope to see everyone at the next meeting.
